

FIXED WING V-PLOW

TRACKLESSVEHICLES.COM

TACKLE WHATEVER WINTER THROWS YOUR WAY.

The Trackless Fixed Wing V-Plow is designed for high-speed plowing. The Fixed Wing V-Plow has excellent snow rolling and throwing capabilities that allow it to effortlessly cut through drifting or accumulated snow.

The tapered nose allows it to ride safely over uneven surfaces without damaging the Plow or the sidewalk.

The Fixed V-Plow is built to last, with 10-gauge steel blade wings, 1/4" reinforcing ribs, abrasion-resistant skid shoes and hardened steel cutting edges.
